

**Hertfordshire Agricultural Society**  
**FREE Key stage 1 & 2 Teacher CPD**  
**Thursday 23<sup>rd</sup> May 2019**  
**4pm – 5:30pm**

**The Showground, Dunstable Road, Redbourn. AL3 7PT**

**Introduction**

An understanding of food and farming has never been more important, but there is plenty of evidence that many of our pupils have a very limited understanding of where their food comes from. In collaboration with the Hertfordshire County Show, the Leaf Education Teacher CPD session will give you an overview of farming in the UK and an opportunity to share ideas on ways to embed food and farming into different subject areas, to enrich the curriculum. There will also be a tour of the showground, plus a prize draw for tickets for this year's County Show.

**Programme:**

<b>16.00</b>	<b>Refreshments and registration</b>
<b>16.15</b>	<b>To explore where the links to food and farming are within our Enriched Curriculum and how we can link food and farming to different subject areas</b>
<b>16.40</b>	<b>To share what resources are available</b>
<b>16.50</b>	<b>Hertfordshire Agricultural Society plans for 2020 Food &amp; Farming day – practical support and information, educational opportunity</b>
<b>17.00</b>	<b>Tour of site and Q&amp;A with Farmers</b>
<b>17:30</b>	<b>Evaluations and a prize draw for show tickets</b>

**Facilitators**

**Gaina Dunsire – Regional Consultant – East of England – LEAF Education**

Gaina has a passion for food, farming and education. She taught for 12 years in Secondary Schools in London, the Middle East and Suffolk, before an interest in permaculture led her to leave teaching to design and project manage an outdoor 'living classroom'.

Gaina completed an MSc in Ecological Food Systems and has worked on farms, in agricultural research and for a small food business. She strongly believes in the importance of reconnecting young people and adults to food, farming and the countryside, and demonstrating how we can become more responsible consumers in order to make the food and farming sector more sustainable, both economically and environmentally.

**Sarah Moreland – Executive Director – Hertfordshire Agricultural Society**

Sarah joined the Hertfordshire Agricultural Society in March 2018 having spent the last 14 years in Further Education as a teacher (PGCE), teacher training & management at both a general further education college and specialist land based college. She completed a MA in Educational Leadership and is passionate about developing the educational offer within Hertfordshire.

Sarah's grandparents were Cheshire farmers and she grew up in rural Anglesey before moving to the Middle East and has been in Hertfordshire since 2000. Through her passion for education, linked with promoting agriculture in Hertfordshire she is actively seeking ways to support teachers and provide opportunities for school children to learn more.

### **Registration and Event Information**

The event is free to attend, however we would appreciate teachers register for their free eTicket which will be available on line from [Hertsshow.com](http://Hertsshow.com) (date to be confirmed).

Please note this event will be taking place during the build-up of the Herts County Show and vehicles maybe moving on site, on arrival you will be directed to the car park and escorted across the site to the VIP Members Enclosure. Access to the showground will be via Gate D.

In the meantime, please contact Sarah Moreland on [office@hertsshow.com](mailto:office@hertsshow.com) to register your interest.
