

VDU EYECARE VOUCHER INFORMATION

Eye Examinations and VDU glasses for just £17.00

VDU Eyecare Vouchers for Specsavers will revolutionise the way you deal with your obligations under the Health & Safety Display Screen Regulations.

You will now need only to provide your VDU users with one voucher, in a single transaction, to ensure that they will get a full eye and eyesight test as well as glasses solely for VDU use if required*.

The cost savings from this unique simplified process in administration alone will be dramatic.

You stand to make even greater savings, however, as this voucher is priced at just £17.00, equivalent to an eye examination in most Specsavers stores but it will also include the provision of a pair of single vision glasses, selected from our £30 range, when they are required solely for VDU use.

There is even better news for your employees, as they can add their own contributions to upgrade to any of our glasses ranges, taking advantage of in-store offers such as 2 for 1, whilst still benefiting fully from the £30 contribution towards the total purchase.

Even employees who do not require glasses solely for VDU purposes will benefit from the voucher, as incorporated into every voucher is a £20 Premium Club discount that can be used against any purchase from our £99 range and above**.

Key Benefits
