Introduction

Hertfordshire County Council is committed to the safeguarding of all pupils. Pupils who are removed from schools' rolls inappropriately may become 'children missing from education' and therefore potentially vulnerable.

Section 436A of the Education Act 1996 (as amended by the Education and Inspections Act 2006) places a duty on local authorities to establish the identity of children in their area who are not receiving education. The purpose of this duty is to ensure that children missing from education (CME) are identified quickly and tracked effectively so appropriate actions can be taken.

This document sets out the responsibilities of **all** Maintained Schools, Academies, Free Schools, University Technical Colleges, Education Support Centres and Independent Schools, as they relate to the removal of pupils from roll. They are **all** required to notify the Local Authority when removing a pupil from roll.

The Education (Pupil Registration) (England) Regulations 2006 as amended by The Education (Pupil Registration) (England) (Amendment) Regulations 2011 and The Education (Pupil Registration) (England) (Amendment) Regulations 2016 and The School Attendance (Pupil Registration) (England) Regulations 2024 prescribes the circumstances (regulation 9) in which pupils may be removed from roll legitimately. (See [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024 \(legislation.gov.uk\)](https://www.legislation.gov.uk) for the regulations in full)

Responsibility of Schools/Academies

The School Attendance (Pupil Registration) (England) Regulations 2024 came into force on 19 August 2024.

A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the Education (Pupil Registration) (England) Regulations 2006 as amended. A pupil's name **must not** be removed for any other reason and doing so would constitute off-rolling.

In accordance with regulation 13(1) of the Education (Pupil Registration) (England) Regulations 2006 as amended, a school must notify the local authority when a pupil's name is to be deleted from the admission register under any of the reasons set out in regulation 9, as soon as the pupil's name is to be deleted.

This does not apply where the pupil's name is deleted after they have completed the school's final year (for example, pupils who leave primary school at the end of Year 6), unless the local authority requests such information.

All schools must notify the local authority when a pupil is removed from roll.

The 2016 amendment also places a duty on schools and local authorities to work collaboratively in '**jointly making reasonable enquiries**' as to the whereabouts of a pupil before a pupil is removed from roll.

Children with a Social Worker

Children missing education officers or a school's point of contact in the School Attendance Support Team should also inform a pupil's social worker if their name is to be deleted from the school register, school's must ensure the relevant section within the Removal from Roll form is completed fully.

Where a school notifies the local authority that a pupil's name is to be deleted from the admission register, as set out in regulation 13(4), the school must provide the local authority with the following information:

- a) the full name of the pupil
- b) address
- c) the full name and address of any parent the pupil normally lives with.
- d) at least one telephone number that each such parent can be contacted with/in an emergency.
- e) the information entered in the admission register in accordance with regulation 8(3), if any.
- f) the information entered in the admission register in accordance with 8(4)
- g) which of the circumstances listed in regulation 9(1) or (3) are the basis for the deletion of the registered pupil's name.

Process for Removal from Roll

Schools/Academies should complete the **Removal from Roll** form, having ensured that any removal meets the specified ground (**copy at the end of this document**) and return it to their local Statutory Attendance & Participation Team as soon as the child has been removed from roll or at least within **5 school days** of the date of removal from roll. This includes pupils who have been added to the roll but who have never attended.

Whenever a pupil joins or leaves a school/academy a Common Transfer File (CTF) MUST accompany him or her. Further information on the transfer of a CTF can be found on - www.education.gov.uk

If a pupil is removed from roll for elective home education, school/academy must retain the CTF until such time as the pupil may return to a school roll.

If a pupil is removed from roll whereabouts unknown, school/academy must retain the CTF until such time as the pupil's whereabouts are known and the pupil may return to a school roll.

A child is missing from education (CME) if they are of compulsory school age (age 5-16), do not have a school place and no alternative education arrangements have been made for them. Transfer between schools.

Where a pupil is transferring to another school, the original school must delete a pupil's name from the admission register on the first day they are entered on the admission register of the new school. The new school must enter the pupil's name on the admission register on the first day that it has agreed the pupil will attend the school. For example, if a pupil is due to leave school A on 28 March and start at school B on 29 March, they would add to the admission register of School B and delete from that of School A on 29 March.

School A will:

- record the pupil's attendance and absence up to and including the 28 March.
- delete the pupil's name from the admission register on 29 March.
- transfer the appropriate pupil information via the S2S system.

School B will:

- enter the pupil's name on the admission register on 29 March.
- record the pupil's attendance and absence from 29 March.
- follow up any unexpected absence on or after the 29 March; and
- request the transfer of the pupil information.

There are a small number of exceptions, these are:

Schools/academies should not encourage parents to educate their children at home as a way of avoiding exclusion or because the pupil has a poor attendance record. Advice and information on Elective Home Education can be obtained from the EHE Team, or from www.hertfordshire.gov.uk or from a number of independent websites including <https://www.educationotherwise.org/>

DfE's guidance on Children Missing Education sets out the expectations for schools and local authorities in respect of making reasonable enquiries.

Schools/academies should:

- Make contact with parents/ relatives to check that there is no good reason for the absence eg. disrupted travel arrangements or illness.
- Mark the absence as authorised if there is a valid reason, using the relevant code.
- Mark the absence as unauthorised if there is not a valid reason, using the relevant code.
- Contact their relevant Statutory Attendance & Participation Team if there are concerns about the welfare of the pupil or if they are unable to make contact with the parents.

Schools/academies must contact the Statutory Attendance & Participation Team before removing from roll so that joint reasonable enquiries can be made as to the pupil's whereabouts.

Compulsory school age

A pupil ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.
